

What does your future BD Saint need for 2021-22 School year?

Specs for BDHS 1:1 Laptop

Windows:

- WINDOWS 10 64 BIT (****please make sure that is it not a window 10 S version**)
- Core i5 or higher
(an i3 would work but would make it a very slow computer)
- 4 GB RAM
8 GB is recommended but not required
- 250 Gig Hard Drive
this is a minimum requirement

Questions? Please contact the
BD Technology Department.

Bishop Dwenger High School 1:1 Initiative

Bishop Dwenger High School is committed to teaching and learning that brings digital resources, access, expertise, and skills to our school's historical success and development of its Twenty-First Century Learners. This blended environment allows for learning to occur beyond our school's walls and beyond the traditional day.

All new students for the 2021-2022 year will need to purchase a laptop with the specs (listed to the left) and **CAN BE PURCHASED ANYWHERE**. Windows computers can be imaged at A+ Computers for a fee of \$125. All laptops must be brought to A+ Computers for imaging or BDHS by July 23rd to have them ready for the first day of school.

Programs are included in Image - *Subject to change*

- Office 365 Suite (*this includes, Word, Excel, PowerPoint, and Publisher*)
- Sophos Antivirus
- Lightspeed Web filtering (*filter service for Bishop Dwenger Network only*)
- Lockdown Browser (*locks down browser for on-line testing in CANVAS*)
- TI-84 Calculator Software
- Windows 10 (*latest version*)
- Connection to RICOH SECURE student printer in Media Center for Windows Computers Only (*code given on Verification Day*)
