

## **STUDENT INSURANCE**

A portion of each student's course fees is for student/athlete insurance coverage. Students have coverage for injuries and accidents that happen during the school day at Bishop Dwenger or while participating in extracurricular school-sponsored activities. Eligible covered expenses will be paid which are in excess of other valid and collectible insurance. Claims should be submitted to the parent's insurance first.

If an injury occurs, seek medical care through your usual providers. Then contact the athletic director for injuries sustained in IHSAA sponsored sports, or contact the business manager for all other injuries. They will obtain required information from you for completion of the Incident Report by the school; parents cannot be sent an incomplete Incident Report. The completed Incident Report will then be sent to the parents along with the Accident Medical Insurance Claim Form and a cover page describing what needs to be submitted to K&K Insurance Group. Parents must complete the Claim Form.

All correspondence after this point will be between K&K Insurance and the parents.
