Dear 8th Grade Student & Parents,

As our future Saints prepare to make the transition to Bishop Dwenger High School, it is an exciting time, full of great expectations of things to come. It is our hope that as a member of the Class of 2031, you are looking forward to being a Dwenger Saint, something that thousands of prior students have been blessed to experience. The Holy Spirit is ever present in our school, and we look forward to welcoming you to the Dwenger family.

The application process is online through the Power School portal for the 2027-2028 school year. This will offer convenience for our families and a rollover of information in subsequent years. It will also allow you to choose your FACTS payment plan. Please make note of the timeline inside this brochure, especially *the due date that is crucial* in the application/enrollment process.

Our mission is to meet the spiritual, academic and social needs of our students, as well as provide each of them with opportunities to participate in, and value, service to others. Students will have many opportunities to grow in their faith, be challenged in the classroom and become involved in extra-curricular clubs and activities. The expectations at Bishop Dwenger remain high, making a Bishop Dwenger diploma priceless!

If your 8th grader or your family would like a campus tour, please contact the school to make arrangements. We would love to show you around and share why we think BD is such a special place!

Sincerely,

Jason Schiffli
Principal

IMPORTANT DATES

While applications are accpetd after this date, it is possible applications could be subject to a wait list.

COURSE SCHEDULING NIGHT

Late February

In late February or early March, we will hold a series of scheduling nights for our Future Saints and a parent. This night we will go through the diploma tracks, courses, and students will select courses to build a schedule. A QR Code will be shared in the letters that go out in February as to the dates and times to sign up for a session that works for your family.

PLACEMENT EXAMS

May 1 or 8

Together with grades and teacher recommendations, a placement test will be given to help ensure we are placing students in the correct level of course. BD offeres various levels in core classes.

These exams will be in the areas of Mathematics, English, and Foreign Language when applicable. Placement in other courses such as Biology, will be determined by the student's English score.
