

Book: *Born a Crime* by Trevor Noah

Assignment:

While reading this nonfiction book, take handwritten notes over important references, moments, people, etc., which you will be allowed to utilize on the test that will be given the first week of school. This is not a requirement but will greatly benefit you on the summative assessment.

The handwritten notes can be taken in any format that will help you on the test, which you will be taking on Friday, August 13, 2021. You will be instructed to select ten items from a series of 15 to 20 different items that are in the book. Then, you will handwrite a paragraph explaining the importance of the item as well as the impact of it in regard to Noah's main point.

If you have any specific questions, please feel free to email me over the summer at skromer@bishopdwenger.com.

Have a great summer break and enjoy the read!
