# Built for a Purpose: Bishop Dwenger Career Academy

*"The future begins today, not tomorrow." -Saint Pope John Paul II*

Bishop Dwenger High School is making history by building for the future! The Bishop Dwenger Career Academy will be one of only three Catholic High School Career and Technical Academies in the nation. This initiative is more than just a building; it's an investment in the lives of young people who will gain access to high-demand careers. With your support, we can bridge the gap between education and industry, inspire students to discover their talents, and address the growing need for skilled professionals in our community.

## Areas of Study

Bishop Dwenger's Career Academy will challenge traditional models not only in the types of offerings, but throughout the structure of the entire curriculum. Programs were selected and designed to best meet the needs of students, the community, and remain true to the mission of Bishop Dwenger. Programs will include:

- Biomedical
- Engineering
- Construction Trades
- Welding and Metal Fabrication

Students will have expanded options for dual-credit courses as well as the opportunity to achieve relevant certifications. The academy will satisfy requirements for the updated Indiana graduation pathways, ensuring every student the opportunity to not only graduate from high school, but also benefit from additional credits and certifications.

## Personal Gifts and Pledges

We believe in earning and maximizing every gift. Please consider a pledge to help fund the Bishop Dwenger Career Academy. Pledges can be made over a term of five years, are tax deductible, and will transform our school, and our community. There are a variety of opportunities for naming rights and donations can be made monthly, quarterly, or annually.

## Corporate Partnership

Do you have a business, practice, or firm that aligns with our mission? Be a corporate partner! For a tax-deductible five-year pledge of \$50,000 or more, you will have naming rights and signage in our academy. Get in front of your hiring demands by introducing your brand and opportunities to a premium work force of educated, trained, and faithful young Saints!
