

BISHOP DWENGER HIGH SCHOOL'S
ONLINE AND/OR DRIVE ONLY DRIVER EDUCATION INFORMATION.

HOW TO REGISTER

1. Student must be at least 15 years of age in order to register for the Online Driver's Education at Bishop Dwenger.
2. Please complete the application, the emergency consent form, and include a check or money order for \$395 made payable to Bishop Dwenger High School. Students **not** attending Bishop Dwenger ***must*** include a copy of their birth certificate ***(the birth certificate obtained from the state's Dept. of Vital Statistics, NOT the hospital keepsake version)***.
3. Mail your registrations to:
Bishop Dwenger High School
Attention: Driver's Education
1300 E. Washington Center Road
Fort Wayne, IN 46825.

Note: Any returned check will be assessed a \$25.00 returned check fee.

*****The \$395 fee includes the road test (for those who qualify), which is required by the state of Indiana to get your driver's license; this will remove the need to take the road test at the license bureau. The testing will be done in the driver education cars near the end of the session. The state of Indiana requires that any student taking the road test at the high school must have attained a "B-" or better in both the book work and driving portion of this class. A drive test could be given during a later session of driver's education if the student and parents choose to wait.**

* Driving instruction only occurs when the Driver's Education Classroom Instruction is in session and will continue until all students during that session have completed their six hours of drive time. Drive times will be arranged during the classroom sessions – it is your responsibility to contact Mrs. Pierson at 496-4700, ext. 0 to obtain the drive time calendar sheet.

HOW DO I KNOW THAT I AM REGISTERED

Once your registration is processed, an email will be sent to you regarding the online course and instructions on how to get started. A CDE form (the form needed to obtain a Learner's Permit), and a list of necessary documents will be mailed to you once a minimum of 33% of the online course has been completed. You will need to take the CDE form with you to the BMV to obtain a driving learner's permit. The laws have changed recently, and it may be to your advantage to call the License Bureau before you go to get the learner's permit so you know exactly what you need to bring for your student. **You will need to bring the student's actual social security card to the BMV.** A written test must be taken to obtain the driver's learning permit.
No one may drive without a permit!

Questions: Call Shannon Pierson at 496-4700, ext. 0 or email at spierson@bishopdwenger.com.

*****Some insurance companies are now giving discounts to those who have taken a Driver's Education Course – you will need to make a copy of your course completion sheet that is given to the student after the final drive test is taken.**

EMERGENCY MEDICAL CONSENT FORM

***Note:** Parents must sign either Part I (Consent...) or Part II (Refuse...) prior to the commencement of each school year for each child enrolled in a Diocesan School. Parents are responsible for updating the information should changes occur before or during enrollment.

Part I: Consent to Emergency Medical Care

Name of child: _____ School: _____ Grade: _____

In the event of an emergency, I request that the school make reasonable attempts to contact me at

_____ (phone number) or _____ (other parent/adult) at
_____ (phone number).

I understand that in an emergency, exigent circumstances may prevent the school from contacting me immediately, or the school may not be able to reach me. I therefore consent to the school taking action which it deems necessary to secure emergency medical care/treatment for my child even if I have not been contacted.

I understand that decisions concerning the type of emergency medical care or treatment administered are made by health care providers and not by the school and that exigent circumstances may require the administration of emergency medical care or treatment without my consent. However, I have indicated below any treatment preferences I have for my child which the school may disclose to the healthcare provider. (Parents/Guardians may check and complete any of the following):

Dr. _____ is my preferred physician and Dr. _____ is my preferred dentist.

_____ is my preferred hospital.

Receipt of my consent prior to my child receiving major surgery unless the medical options of two licensed physicians or dentists, concurring in the necessity for such surgery, are obtained before surgery is performed.

Other:

The school may disclose the following checked information to the healthcare provider:

Insurance information: Insurance Company Name _____
Policy/Group/Claim # _____

The following information regarding allergies my child has, medication my child is taking, and other medical facts about my child:

I understand that in the event of an emergency, the school will make reasonable efforts to notify a healthcare provider of the above checked information, but I acknowledge that I am responsible for communicating such information to the appropriate medical personnel.

Date _____ Signature _____
Parent/Guardian

Part II: Refuse to Consent to Emergency Medical Care

Name of child: _____ School: _____ Grade: _____

In the event of an emergency, I request that the school make reasonable attempts to contact me at

_____ (phone number) or _____ (other parent/adult) at
_____ (phone number).

I understand that decisions concerning the administration of emergency care or treatment are made by healthcare providers and not the school. I do NOT want emergency medical treatment or care administered to my child. In the event of an emergency, I authorize the school to inform any healthcare providers of my wishes. While I understand that the school will make reasonable efforts to contact me and/or notify a healthcare provider of my wishes prior to the administration of any emergency medical care or treatment, I understand that exigent circumstances may prevent this. I also understand that I, not the school, am responsible for communicating my wishes to the appropriate medical personnel.
