Tuition Assistance

Bishop Dwenger High School makes every effort to keep tuition costs at the lowest possible level while providing a quality Catholic education for young people throughout the greater Fort Wayne area. We understand that some families may find it difficult to fully cover the cost of tuition and fees. In order to assist families in meeting the rising cost of education, Bishop Dwenger has compiled a comprehensive Tuition Assistance Program. The Tuition Assistance Program includes tuition grants, which are a result of Diocesan support, endowment fund distributions, and proceeds from our school's major fundraiser, Saints Alive!. We also provide a number of need-based scholarships, which are a result of generous benefactors, our alumni, and friends of Bishop Dwenger High School. Some families may also be eligible to receive an award from the Scholarship Granting Organization (SGO) or from the Indiana School Choice Program (voucher). Each year, over 65% of our students and their families receive some type of tuition assistance.

We encourage any family who is concerned about their ability to cover the cost of tuition to apply for assistance. We provide a payment plan in which the family may spread the tuition payments over a ten-month period. Contact Bishop Dwenger High School should you have any questions about our Tuition Assistance Program.

Applying for Tuition Assistance

Bishop Dwenger High School uses FACTS Management Grant & Aid Assessment to help determine a family's financial need. To apply for a need-based scholarship, a tuition assistance grant, or an SGO award, a family must:

- Complete the FACTS Management Grant & Aid Application by April 15. There is a nominal nonrefundable application fee. Complete one application per family and list all Pre-K through grade 12 students who are attending private schools for which the parents are paying tuition.
- Provide FACTS with a copy of your most recent IRS Federal 1040 Income Tax Return, including all supporting tax schedules.

- 
- 
- Provide FACTS with a copy of your most recent W-2 Form for both you and your spouse, as applicable.

Applications for tuition assistance received after the deadline may delay, possibly reduce, or prevent the allocation of tuition assistance. Once the applications are processed, aid is awarded based on need and availability of funds.

Indiana School Choice Scholarship (Voucher)

Bishop Dwenger High School is proud to be a Choice Scholarship School with the state of Indiana. This scholarship allows students who may have financial constraints to attend private schools. What a great way to make Catholic education affordable! A student may qualify in one of the following ways:

- Previous Choice Scholarship or SGO student
- Special Education Student (IEP/ISP)
- Sibling received School Choice or SGO
- Enrolled in Indiana Public School previous two semesters
- Student would be otherwise required to attend an Indiana Public School rated as an “F” school
- Foster Track

To apply for a School Choice Scholarship at Bishop Dwenger High School, please contact the Business Office at (260) 496-4700. This scholarship must be applied for each year at the school you are attending.

Scholarship Granting Organization (SGO)

The Scholarship Granting Organization of Northeast Indiana provides funding to assist with tuition expenses. This funding is a result of individual or corporate gifts. An SGO award may be granted to a family who meets the income guidelines set by the state. Your completed and submitted FACTS Assessment will serve as your application for an SGO award.

Bishop Dwenger High School Merit Scholarship

The Bishop Dwenger Merit Scholarship will be awarded annually to those incoming freshmen students earning top scores on the Merit Scholarship Exam (exam administered in December). Typically, five to eight scholarships are awarded in the range of \$500 to \$1,000 each. These scholarships are allocated solely on merit, not financial need, and are credited (one time) to the students' tuition bills for their ninth grade year at Bishop Dwenger.

Need-Based Scholarships

Bishop Dwenger High School is pleased to offer many need-based scholarships, the majority of which are endowed through the generous donations of alumni, parents, and friends. Typically just one need-based scholarship is awarded per student. Additional tuition assistance may be offered in the form of need-based tuition grants. The awarding of scholarships may have an effect on the total amount of additional tuition assistance offered by the school. The deadline for all scholarship applications is April 15. Applications for need-based scholarships will not be accepted after the deadline.

All scholarships are awarded on the basis of need, scholastic record, and the criteria established for each scholarship. Some scholarships are renewable provided the student remains in good academic standing, as outlined, and the family continues to demonstrate financial need. Both FACTS and scholarship applications must be submitted annually.

Each year, students interested in receiving a scholarship must submit an online scholarship application (available on our website), and the parents must also submit a FACTS Management Grant & Aid Assessment. All scholarships will be awarded and applied to accounts in September.

A complete listing of our scholarships, how they were established, and the corresponding criteria to receive them is available on the Bishop Dwenger website, see the Menu dropdown, under the Admissions tab.
