## Christ the Teacher Award

Brian Quigley was this year's recipient of the Christ the Teacher Award.

Brian brings energy and spirit that are unmatched and never-ending. He has a great enthusiasm for teaching science, and he is known for his very lively and fun classroom teaching. In addition to his teaching, Brian is an assistant football coach and is the founder and moderator for the BD Medical Club. The immense number of students interested in this club precipitated into a new Medical-Tech education program starting next year with Project Lead The Way, which Brian is teaching.

Congratulations, Mr. Quigley!
