

## November/December Senior Bulletin

November 24, 2025

### Naviance/Transcripts

Remember, all transcript requests for college applications must be made through your Naviance account. You may request your transcript at any time, even if you have not yet submitted your application. If you are applying to a college using the Common Application, you must Match your Naviance account with your Common App account and add the college to your Common App list **before** you request the transcript. If you need any assistance with this process, please see your school counselor. **If you are applying to a school with a deadline between December 15 and January 10, you must make your transcript request by Friday, December 5.**

**Note Regarding Test Scores: If you take the SAT or ACT in November or December, be sure to have any new scores sent directly through the testing agencies to the colleges to which you have or will apply.**

### AP Exam Fees

AP Exam fees were due on November 1. If you have not yet paid your fees, please do so as soon as possible. All exam fees must be paid to the guidance office.

<u>Subject</u>	<u>Amount</u>
Psychology	\$99 per exam
English Lit, English Lang, Biology, Calculus AB/BC, Chemistry, Statistics, US History	\$10 per exam, up to two exams; each additional exam will be \$99

If you are enrolled in the free or reduced lunch program, you need to pay only \$10 per exam, regardless of the subject. If you have questions about the amount you owe for your AP fees, please see Mrs. Stefanek in the guidance office.

### Admissions Decisions

Colleges and universities grant a variety of admission decisions. Below are a few defined terms to help you understand the decisions you may receive. If you have questions, please see your counselor.

**Admitted:** Congratulations! You have been accepted to the college and you may attend, if you choose.

**Denied:** You have been denied admission to the college. This decision is usually final, and you need to seek other opportunities.

**Deferred:** If you have been deferred by a Rolling Decision/Priority Deadline school, you will need to provide updated academic information for further consideration. This includes new SAT/ACT scores and/or first semester grades. If you do not provide updated academic information, you will likely not be granted admission. If you have been deferred by a school during Early Action, Restrictive Early Action, or Early Decision, you will be deferred to the next application period, which is Regular Decision. You will need to let your counselor know to send a Common App Mid-Year report, which will include your first semester grades. A final decision will be granted at the end of that application period, usually in March or April.

**Waitlisted:** This decision is usually granted at the end of Regular Decision in the spring. If you are added to a waitlist of a college, you may remain in consideration for admission until late May or June. There is no guarantee that admission will ever be offered. Remaining on a waitlist is optional. If you would like to remain on a waitlist, communicate your continued interest to your college admissions representative. If you decide to attend another college by making a deposit for enrollment, remove your name from other schools' waitlists.

## **FINANCIAL AID – 2026-27 FAFSA**

Families of seniors attending college next year should plan to complete the Free Application for Federal Student Aid (**FAFSA**) **2026-27** to secure need-based aid. Need-based financial aid includes loans, grants, scholarships, and work-based study. The filing window for the **2026-27 FAFSA** in Indiana is October 1, 2025 - April 15, 2026. Please note that colleges/universities typically have an earlier deadline. It is recommended that FAFSA be completed as early as possible. The FAFSA is submitted online and is available at <https://studentaid.gov/h/apply-for-aid/fafsa> and requires parent and student tax information from 2024. To complete a **2026-27 FAFSA**, you will need a student and a parent FSA ID, one for each. Create these at <https://studentaid.gov/fsa-id/create-account/launch>. Once you have your FSA IDs you are ready to complete FAFSA at <https://studentaid.gov/h/apply-for-aid/fafsa>. Below is information regarding FAFSA completion support.

**Watch the Video on How to Complete the FAFSA:** <https://www.youtube.com/watch?v=875Rbg6uca0>

**PFW FAFSA Completion Events:** Throughout the next several months, PFW will offer individual support to families completing the 2026-27 FAFSA, regardless of which college the student plans to attend. This is a service PFW provides to the community. Also, the student and a parent will need to each get an FSA ID prior to attending. For more information and to register to attend any of the upcoming events, visit [https://apply.pfw.edu/portal/fafsa-events?\\_ga=2.178535974.30593742.1761571969-1305279878.1724686937](https://apply.pfw.edu/portal/fafsa-events?_ga=2.178535974.30593742.1761571969-1305279878.1724686937).

## **Financial Aid – CSS Profile**

There are several private colleges that require students to complete the CSS Profile, in addition to the FAFSA. The CSS Profile is a more comprehensive form schools often use to determine in-house aid distribution. The form is available at <https://student.collegeboard.org/css-financial-aid-profile>. CSS Profile costs \$25 for the first school, plus \$16 for each additional school.

## **Net Price Calculator**

Net Price Calculators (NPC) are available on a college's website to allow you to enter information (financial and/or academic) about yourself to find out what students like you paid to attend that institution in the previous year, after taking grants and scholarship aid into account. If you have an account with the College Board (SAT), you may also use <http://studentnpc.collegeboard.org/>. The purpose of the NPC is to provide students with an advanced idea of what the bottom-line cost of attendance to a specific college may be.

## **Where to Find Scholarships**

Scholarships are awarded by colleges, businesses, organizations, and individuals. The criteria for scholarships vary, depending on the objective of the sponsor. Places to seek scholarships include:

**Colleges:** Colleges offer several types of scholarships: merit/talent, departmental, athletic, service, and academic. Scholarship information should be available on the Financial Aid section of the school's website. Some scholarships are automatic and are awarded at the time of application for admission. Others may require supplemental applications, interviews, and/or auditions. Exhaust all possibilities of scholarships offered through the colleges. These scholarships tend to be generous and renewable for up to four years.

**Parents' places of employment:** Many businesses and corporations offer scholarships to their employees' dependents. Check with human resources.

**Student's place of employment:** Many businesses and corporations offer scholarships to their employees. Check with human resources.

**Clubs/organizations to which parents belong:** Many organizations offer scholarships/grants to members' dependents. Check with club officers or the national/state chapter.

**Online Searches:** The Internet is an endless source for scholarship information. It is advised to have more than one account with online searches.

## Scholarships Awarded by Colleges and Universities

Once you've been admitted to a college or university, exhaust all possibilities for scholarships and financial aid offered through that school. Most schools offer merit scholarships based on your academic record submitted for admission. However, there are also other scholarships offered that may require supplemental applications. Search the financial aid and/or scholarship portions of the school's website for departmental, talent, service, and leadership scholarships for incoming freshmen. The scholarships offered by the colleges and universities tend to be generous and renewable for up to four years. Below are links to the scholarship webpages for local and common colleges.
