

TO: Parents of Junior & Seniors  
FROM: Erin Brady – English Instructor  
Susan McTague - Math Instructor  
RE: SAT/ACT Bootcamp

January 13, 2026

Our SAT/ACT Bootcamp will include information needed to prepare for both the new digital SAT and ACT tests. The course will focus on the structure and questions of the new digital SAT along with strategies and tips. Although much of the information for the ACT and SAT exams is the same, the Bishop Dwenger SAT/ACT course thoroughly addresses the differences between the two tests to provide the best preparation for students taking either or both tests.

Our SAT/ACT course also has the following advantages:

1. Mrs. Brady and Mrs. McTague have **decades of experience** with remedial to honors/AP students.
2. Class time is devoted to review of relevant material and strategies to approach and succeed in answering standardized test questions.
3. The course is priced well *below* other preparatory programs.
4. Assistance is available even after the course is completed.

The course includes 8 sessions designated to help the students do their best on the new digital SAT and the ACT exams. Tuesdays are for math, while Thursdays are for critical reading, grammar, and writing. We will be using the most current edition of The Official Digital SAT study guide from The College Board.

Classes meet on Tuesday and Thursday evenings from 5:30 to 7:00 pm. starting February 3, 2026 and ending February 26, 2026. Students will need to bring their computers along with a notebook to every class. Since spots are reserved at registration, any withdrawals after February 3, 2026 will be subject to a 50% penalty. No refunds after the first week of class.

**Please note: In the case of inclement weather, please check the BD website for information about the class. Any sessions which are unable to meet will be rescheduled.**

The cost for the class is \$175.00, which includes the preparation book. The attached link will take you to the registration form and payment page.

SAT testing dates for this school year are: March 14, May 2, and June 6, 2026. In addition all Dwenger Juniors will take the SAT at school on March 11.

ACT testing dates for this school year are: April 11, June 13, and July 11, 2026

While there is no guarantee that students will achieve a particular score, this course will develop test familiarity and pacing, effective test strategies for specific question types, and a comprehensive review of necessary math, science, and English basic skills. Attendance and

participation are very important for success. Any student causing a disciplinary problem will be removed from the class without a refund.

If you have any questions or problems, contact either Mrs. Brady or Mrs. McTague through the Main Office at 496-4700 or email at [smctague@bishopdwenger.com](mailto:smctague@bishopdwenger.com).

**Class size is limited! Please, DO NOT DELAY, as we usually have to turn students away. Registration for the class will end on February 3, 2026 UNLESS THE CLASS FILLS EARLIER. If you are interested, follow the link for registration.**

Thank you. We look forward to helping your son or daughter prepare for these very important tests.
