### ADMISSION DECISIONS

Colleges and universities grant a variety of decisions regarding admission. Below are a few terms regarding admission decisions. If you receive an admission decision with which you need help understanding, please see your counselor.

**Admitted:** Congratulations! You have been accepted to the college and have the opportunity to attend.

**Denied:** You have been denied admission to the college. This decision is usually final.

**Deferred:** If you have been deferred by a Rolling Decision school, you will need to provide updated academic information for further consideration. This includes new SAT/ACT test scores and/or first semester grades. If you do not provide updated academic information, you will likely not be granted admission. If you have been deferred by a school during Early Action, Restrictive Early Action, or Early Decision, you will be deferred to the next application period, which is Regular Decision. You may provide updated academic information for review. A new decision will be granted at the end of that application period.

**Waitlisted:** This decision is usually granted at the end of Regular Decision in the spring. If you are added to the waitlist of a college, you may remain in consideration for admission until late-May or June. There is no guarantee that admission will ever be offered. Remaining on a waitlist is optional. If you would like to remain on a waitlist, communicate your continued interest to your admission counselor. If you decide to attend another college, remove your name from any other schools' waitlists.

## **Financial Aid - FAFSA**

Families of seniors attending college next year should plan to complete the Free Application for Federal Student Aid (FAFSA) to secure need-based aid. Need-based financial aid includes loans, grants, and work-based study. The filing window for the FAFSA in Indiana is October 1, 2021 - April 15, 2022. The FAFSA is submitted online and is available at [fafsa.ed.gov](http://fafsa.ed.gov). FAFSA requires parent and student tax information from 2020. To complete a FAFSA, you will need a student and a parent FSA ID, one for each. Create these at <https://studentaid.gov/fsa-id/create-account/launch>. Once you have your FSA ID's you are ready to complete FAFSA at [fsfa.ed.gov](http://fsfa.ed.gov). It is recommended that FAFSA be completed as early as possible, so students can receive full financial aid consideration and receive award letters in a timely manner. Below is information regarding FAFSA completion support. There are videos and local in-person help sessions.

### **ONLINE SCHOLARSHIP SEARCHES**

Do not limit your scholarship search to those publicized in the Senior Bulletins. There are countless websites to help you search for scholarships. The scholarship search process is yearlong and ongoing. The sooner you start, the better.

1. Check each potential college's website for scholarship opportunities for incoming freshmen.
2. Naviance has a National Scholarship Search link under the Scholarships and Money heading under the Colleges tab.
3. A few recommended websites for general scholarship searches are: [www.fastweb.com](http://www.fastweb.com), [www.collegeboard.org](http://www.collegeboard.org), [www.college-scholarships.com](http://www.college-scholarships.com), [www.cappex.com](http://www.cappex.com), [www.studentscholarships.org](http://www.studentscholarships.org), and [www.scholarshipexperts.com](http://www.scholarshipexperts.com).

**Please note, you should never pay for a scholarship search nor to apply for a scholarship.**

### **NET PRICE CALCULATOR**

Net Price Calculators (NPC) are available on a college's website to allow you to enter information (financial and/or academic) about yourself to find out what students like you paid to attend that institution in the previous year, after taking grants and scholarship aid into account. If you have an account with the College Board (SAT/AP), you may also use <http://studentnpc.collegeboard.org/>. The purpose of the NPC is to provide students with an early indication of what the bottom-line cost of attendance to that college may be.
