

Senior Bulletin #6

February 8, 2022

Selective Service

If you are an 18-year-old male, you need to register with Selective Service. The process is easy and is required by law. If you are completing a FAFSA form to apply for financial aid, you must register with Selective Service before you can submit the form. Register online at www.sss.gov.

Financial Aid - FAFSA

The application period for financial aid opened October 1, 2021. This is a reminder that the deadline in the State of Indiana for filing the Free Application for Federal Student Aid (FAFSA) is April 15, 2022. If you are planning to apply for any type of financial aid (grants, loans, or work-study), you must meet the April deadline. Even if you do not think your family will qualify for need-based aid, many colleges, especially private colleges, want students to file a FAFSA form before they will award their own in-house scholarships. Contact the financial aid office of the college for confirmation. Colleges use FAFSA information to determine individual student aid award packages. The FAFSA may be completed online at www.fafsa.ed.gov. You will need an FSA ID for you and for a parent before you can access the form. Get your FSA ID as soon as possible at <https://fsaid.ed.gov>.

College Goal Sunday – February 27

Families who have not yet filed a FAFSA can get one-one-one assistance by participating in College Goal Sunday. College Goal Sunday takes place on February 27 at Ivy Tech from 2:00-4:00 p.m. Please visit CollegeGoalSunday.org for information about the event and documents needed for a successful filing experience. FAFSA experts from across Indiana will be available to assist with the FAFSA filing. Also, Spanish speaking helpers will be available to meet with families.

Financial Aid – CSS Profile

There are several private colleges that require you to file a **CSS Profile** in addition to the FAFSA. CSS Profile registration forms are available online at www.collegeboard.org. Please note that there is a fee to submit the CSS Profile.

Financial Aid

For those of you who filed the FAFSA, the colleges will soon be sending a Financial Aid Award letter to you. This will include the financial aid package the college is offering you. Please carefully read all information and respond according to their requests. Make sure you fully understand the types of aid you are being offered and discuss with your parents what you should accept or decline. You are not obligated to accept all that you are offered.

Types of financial aid typically offered

Grants - money that is awarded to you that does not need to be paid back

Work-study – secured employment on campus

Loans – money that is borrowed that must be paid back, with interest

Loans

If you have specific questions regarding the award letter, contact the financial aid office of the college directly.

In order to cover the cost of your education, you may need to secure loans. A loan is a sum of money that you borrow and must eventually pay back, with interest. Any debt accumulated throughout your college career must be paid back to the lender. Keep this in mind when you are accepting/declining the loans offered to you. Visit the helpful website <http://www.finaid.org/calculators/loanpayments.phtml> to help you determine what the monthly payments will be for your loans. Below is an example of the overall cost of borrowing \$25,000.

Loan Balance:	\$25,000.00
Adjusted Loan Balance:	\$25,000.00
Loan Interest Rate:	3.73%
Loan Fees:	0.00%
Loan Term:	10 years
Minimum Payment:	\$50.00
Degree Program:	Bachelor's Degree

Total Years in College:	4 years
Average Debt per Year:	\$6,250.00
Monthly Loan Payment:	\$249.52
Number of Payments:	120
Cumulative Payments:	\$29,990.00
Interest Paid	\$4,990.00

When borrowing money, always remember to:

1. ***Max out your federal aid before you consider the private option.*** Federal aid often comes with lower interest rates and more favorable lending terms, so fill out a **FAFSA** (Free Application for Federal Student Aid) if you haven't already. **The FAFSA deadline is April 15!**
2. ***Know how much to borrow.*** One of the most expensive mistakes you can make is borrowing too much money. Budget for all your costs and know that borrowed money should ONLY be used for school-related necessities, not vacations or tickets to a concert.
3. ***Keep your expected costs down.*** The less money you plan on spending, the less money you have to borrow. The rule here? Make a budget and stick to it.
4. ***Know your borrower benefits.*** Private lenders offer various benefits to borrowers. Some provide interest rate discounts for enrolling in auto-repayment or for students who've made a certain number of on-time consecutive payments. Some lenders even cut your premium by a percentage point or two when you graduate. The key here: know **what's offered** ahead of time and calculate those benefits into your total cost.

Scholarships

The following scholarships are currently available through the guidance office. Please see Mrs. Dillon for paper applications. **Be sure to submit all scholarships by the posted deadlines.**
