Bishop Dwenger High School is committed to teaching and learning that brings digital resources, access, expertise, and skills to our school's historical success and development of its Twenty-First Century Learners. This blended environment allows for learning to occur beyond our school's walls and beyond the traditional day.

All BD students need to purchase a laptop with the specs that are listed to the left. This laptop can be purchased anywhere. All devices **MUST** be imaged at A+ Computers (the one time fee is included in technology fees). All laptops must be brought to A+ Computers for imaging no later than July 21, 2025 to have them ready for the first day of school.

Programs Provided by Bishop Dwenger Imaging:

Office 365 Suite (Word, Excel, PowerPoint, Outlook, Publisher, Access)

Sophos Virus Endpoint Software

Content Keeper Filtering System (filter services apply only when on Bishop Dwenger's Campus Network)

Lockdown Browser for CANVAS

TI-84 Calculator Software

RICOH Student Printer Access in Media Center (code given on Verification Day)

*Programs are subject to change.
