

What laptop does your Saint need?

All BD students need to purchase a laptop with the specs for BDHS Laptop:

OS: WINDOWS 11

Processor: Intel Core 5 Series 2 or higher (or AMD Ryzen Equivalents)

Memory (RAM): 8 GB minimum (16GB Recommended)

Storage: 256 GB or larger

Apple devices and Chromebooks are not supported at Bishop Dwenger. These devices **do not meet** the technical requirements and should not be purchased.

Questions? Please contact
Jacob Bloom
(jbloom@bishopdwenger.com) or
Keaton Newman
(knewman@bishopdwenger.com)
in the BD Technology Department.

Bishop Dwenger High School is committed to teaching and learning that brings digital resources, access, expertise, and skills to our school's historical success and development of its Twenty-First Century Learners. This blended environment allows for learning to occur beyond our school's walls and beyond the traditional day.

All BD students need to purchase a laptop with the specs that are listed to the left. This laptop can be purchased anywhere.

Programs Provided by Bishop Dwenger Imaging:

- Microsoft 365 Suite
