

What laptop does your Saint need?

Specs for BDHS Laptop:

OS: WINDOWS 11

Processor: Intel 10th Gen Core i5 or higher (or AMD Ryzen Equivalents)

Memory (RAM): 8 GB minimum (16GB Recommended)

Storage: 250 GB or larger

Apple devices and Chromebooks are not supported at Bishop Dwenger. These devices **do not meet** the technical requirements and should not be purchased.

Questions? Please contact Jacob Bloom (jbloom@bishopdwenger.com) in the BD Technology Department.

Bishop Dwenger High School is committed to teaching and learning that brings digital resources, access, expertise, and skills to our school's historical success and development of its Twenty-First Century Learners. This blended environment allows for learning to occur beyond our school's walls and beyond the traditional day.

All BD students need to purchase a laptop with the specs that are listed to the left. This laptop can be purchased anywhere. All devices **MUST** be imaged at A+ Computers (the one time fee is included in technology fees). All laptops must be brought to A+ Computers for imaging no later than July 24, 2026 to have them ready for the first day of school.

Programs Provided by Bishop Dwenger Imaging:

- Office 365 Suite (Word, Excel, PowerPoint, Outlook, Publisher, Access)
- Sophos Virus Endpoint Software
- Linewize Content Filtering System (filter services apply only when on Bishop Dwengers Campus Network)
- Lockdown Browser for CANVAS
- TI-84 Calculator Software
- RICOH Student Printer Access in Media Center (code given on Verification Day)

*Programs are subject to change.
