Technology

Hello from our Technology Team!
From left to right, we have Mr. Bloom, Mrs. Veerkamp, and Mr. Newman (who is new this year!).

They are able to help you with all of your computer needs. If your computer is broken and is out for repair, don't worry, you may check out a loaner computer that you can use. You can check it out at the beginning of the day and then return it once the school day is finished.

All computers must be imaged at A+ Computers (the one-time fee is included in the technology fee). Computers must be brought to A+ Computers no later than July 24 to have them ready for the first day of school.

Cafeteria

Lunch time is clearly the most important time of the day for the students. They are greeted by our lovely cafeteria workers. On Wednesdays there is a salad bar served with soup and every Friday is pizza day!

If you want to bring in food, no problem! We are blessed to have three microwaves for students to use to warm up their food.

The Saintuary

Our student section is referred to as "The Saintuary." The team is built up of Seniors who will attend events and support all of our Saints. The two Seniors that are in charge of the Saintuary are Celia Smith and Parker Tone.

You'll see them at pep rallies, football games, basketball games, and all things BD!

Service Hours

You should have received information in the mail on how to set up your account on the MobileServe app for your service hours. If you did not receive this, please reach out to our Service Coordinator, Cyndi Wolf at cwolf@bishopdwenger.com. [Click here](#) for information and a list of our List Service Hour opportunities.
