

Funding for Youth (age 16+) and Young Adult Pilgrims:

Youth and young adult pilgrims may [APPLY](#) for funding between June 1 and August 15, 2022. We will have well over \$125,000 available in scholarship and expect to be able to provide youth and young adult pilgrims between \$700 - \$2,500 in funding. Scholarships will be allocated based on expressed need and financial resources available. [Scholarship Application:](#)

Funding for Chaperones:

For parishes or high school groups that have at least (5) high school students attending WYD 2023, a scholarship of \$2,265 will be given to cover 50% of the cost of the chaperone going with those students. For groups that have at least (10) students going, the diocese will cover \$4,530, etc. We encourage parishes and schools to cover as much of the remaining fee for the chaperones as possible. Two chaperones will be assigned to support and lead a group of eight to ten students. Parents, if attending with their high school child, must attend as a chaperone who is helping to coordinate a small group during the pilgrimage.
